

## Why Join the AAUW?

**What is it worth to you to ensure opportunity for yourself, your daughter and generations of daughters to come?** AAUW provided the way for you to make a difference in your life as well as millions of other women and girls. It all begins in our Los Gatos-Saratoga AAUW branch where there are opportunities and activities for you to work within your community and to enjoy the company of other women.

### **Make a Difference in Our Local Community**

**Locally** we send middle school girls to Tech Trek camp at Stanford University where they have the opportunity to experience exciting math and science activities and learn what careers are available to them in these areas. We provide scholarships to women who are furthering their education in the fields of math and science, and work with Georgia Travis Center to help homeless women and children. We also have 12 varied interest groups such as “Armchair” Travel, 2 different Book Clubs, Conversation in Spanish, Bridge, Let’s Do Lunch, Gourmet Dinner and both scenic, long and short Hiking groups that are stimulating and fun.

### **Make a Difference by Joining Together**

**State and Nationally**, AAUW helps provide a strong voice that makes a difference on critical women’s and civil rights issues. We bring people together united behind the common goal of breaking through educational and economic barriers for women and girls. AAUW is a trusted source for timely and vital information and for advocacy and action.

**At all levels** AAUW helps to provide valuable resources to improve personal and leadership skills as well as opportunities for educational advancement through fellowships, grants, and awards.
