

## Live Auction at English Tea!

We are holding a live auction at our Tea this year with three offerings. The Saratoga Fire Department is offering **dinner for eight** at the firehouse with a tour of the station. Kids can clamber over the truck, try on the gear, and have a marvelous time. We are so excited about this offer and know it will be popular for families and friends with children. Bids will start at \$400.

Once again Ginny Good is offering her beautiful condo in Santa Cruz for a three-night stay. Its value is \$1750. Go to **Villa Vista Vacation Rental** to look at the pictures of this amazing place located right at the water. It would be a beautiful gift for someone special in your life.

Also offered is a **three-night stay at a one-bedroom condo at the World Mark Resort** in Windsor, right in the heart of Sonoma County wine country. It sleeps four with a murphy bed in the living room and is a five minute drive to Healdsburg, eight miles north of Santa Rosa, and 27 miles from Bodega Bay. A golf course is right next door. If you prefer the foothills, you could choose to stay at a condo **in Angel's Camp** instead. This is just a short distance to Murphy's and all the fun of gold country. Our auctioneer is Cynthia Miller who is also our Tech Trek chair.

In addition to the new live auction we have the **Fourmata Quartet** to perform for us during our tea.

**Kay Duffy our watercolorist**, has made an extraordinary offer to those who attend the Tea. You may make an appointment to look at her collection of watercolors (over 50 years of paintings she says), buy one for half-price, and make your check out to AAUW! She is also offering a painting for the auction.

This will be a really wonderful event to share with your friends. Give Ann Roberts a call so she can find tickets for you. There aren't a lot left.

You may leave your jewelry donations at JoAn Lambert's house in Saratoga.
