The Los Gatos – Saratoga Branch of AAUW awards scholarships to women students who are transferring from our local community college, West Valley College, to a four-year college or university with a major in science, technology, engineering, mathematics (STEM), or a related field.

Scholarship funds may be used for tuition, fees, books, supplies and equipment required for the course of education.

Selection of the recipients each year is based on academic achievement and commitment, goals, leadership, community service, and need. The selection committee consists of several Los Gatos-Saratoga branch members.

The AAUW Local Scholarship is funded through the Interbranch Special Projects Foundation, a registered 501 (c) (3) charity. Donations are tax-deductible to the full extent of the law.
