Friday, March 22, 2019 ~

Community Room, Saratoga Library
13650 Saratoga Avenue, Saratoga, CA

The Santa Clara Ninety-Nines will talk about the history of women aviators and issues which these women are now facing. The Ninety-Nines is the world's oldest and largest organization of women pilots. Founded in 1929, their first president was Amelia Earhart. Membership includes professional airline pilots, flight instructors, FAA personnel and women who fly for fun.

We will also be voting on branch officers for 2019-2020.

AAUW Revises Its Mission Statement

As part of its strategic planning, AAUW revised its mission statement ~ **“To advance gender equity for women and girls through research, education, and advocacy.”** There are four strategic areas of focus:

- **Education and Training:** Addressing the barriers and implicit biases that hinder advancement of women
- **Economic Security:** Ensuring livelihoods for women
- **Leadership:** Closing the gender gap in leadership opportunities
- **Governance and Sustainability:** Ensuring the strength, relevance and viability of AAUW well into the future.

Visit the AAUW website at www.aauw.org for more information on this and other topics of interest.

Congratulations!
