

NEW FROM UC PRESS

When Abortion Was a Crime

Women, Medicine, and Law in the United States,
1867-1973, with a New Preface

LESLIE J. REAGAN

The definitive history of abortion in the United States, with a new preface that equips readers for what's to come.

"A first-rate exposition of the changing cultural and legal climate regarding abortion in America."

—*The Washington Post*

"This well-written book is a stellar, complex, and accessible volume that will stand as the definitive history for years to come."

—*The San Francisco Chronicle*

"Important and original, vigorously written. . . . Rich, thought-provoking, and revelatory."

—*The Atlantic*

"Essential."

—*The New York Times*

"This book is one of the most important books I have ever read. It has shaped my thinking about abortion and many other things in deep ways."

—Katha Pollitt, contributor, *The Nation*

When Abortion Was a Crime is the must-read book on abortion history. Originally published ahead of the thirtieth anniversary of *Roe v. Wade*, this award-winning study was the first to examine the entire period during which abortion was illegal in the United States, beginning in the mid-nineteenth century and ending with that monumental case in 1973. *When Abortion Was a Crime* is filled with intimate stories and nuanced analysis, demonstrating how abortion was criminalized and policed—and how millions of women sought abortions regardless of the law. With this edition, Leslie J. Reagan provides a new preface that addresses the dangerous and ongoing threats to abortion access across the country, and the precarity of our current moment.

With the right to abortion increasingly under attack, this book remains the definitive history of abortion in the United States, offering vital lessons for every American concerned with health care, civil liberties, and personal and sexual freedom.

Leslie J. Reagan is Professor of History, Law, Gender and Women's Studies, and Media Studies at the University of Illinois at Urbana-Champaign.
