

# Water!

## *What you will learn:*

- Who is San Jose Water?
- How much water different customers use
- How water gets to your tap
- What are the best conservation practices?
- Conservation programs for customers

Kurt Elvert is the Manager of Field Service and Conservation at San Jose Water. He started in the Water Resources industry in 2001 and has focused much of his career in water conservation. He currently oversees the Field Service Department, Water Conservation Department, Meter Shop, Meter Reading Department, and Recycled Water programs.
